Separk Music Company's
Credit Application

By making the decision to join their school band or orchestra this year, your child has started on a musical journey that can last a lifetime. Not only will your child be introduced to the wonderful world of music, but according to several national studies, their participation in band or orchestra will help them in other areas of study as well.

The next step in this journey is to get your child the instrument and accessories they will need for school. We have found that a child's success in any musical endeavor is enhanced by having an instrument in good playing condition. Separk offers only the highest quality instruments from student level to professional models. Our rental and purchase plans include a monthly maintenance and repair fee to keep your child's instrument in peak condition at all times. As an added service, we offer free pick-up and delivery to your child's school if there is ever a problem with an instrument you rented or purchased from Separk.

If you are interested in renting or leasing an instrument from Separk Music Company, please fill in the information below. All credit reports are run through Equifax Credit Information Services. Once approved, a Separk representative will be contacting you.

Thank you for allowing Separk to be a part of your child's musical journey.

Sincerely,

The Separk Staff
